

10

Key Considerations Taking your car to mainland Europe

1

Cost of going abroad e.g. travel, accommodation, roaming

Valid personal documentation e.g. passport / driving licence

2

3

A safe and roadworthy vehicle

Up-to-date vehicle documentation e.g. MOT / road tax

4

5

Valid insurance and breakdown cover inclusive of Europe

Emergency breakdown equipment as per requirement of country(ies)

6

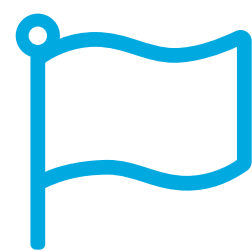

7

Windscreen pass(es) to enter low emission zones

A UK sticker / number plate identifier on the vehicle

8

9

No speed camera detection devices

Taking regular breaks when behind the wheel to avoid fatigue
