## The Garage Star Awards are now open

### We need your help in finding Garage Stars!

We're really proud of the standards of our Motor Ombudsman-accredited businesses and we know that over the past year they've gone over and above to support their customers, whether it's when buying a new car or needing repairs.

We therefore wanted to recognise the lengths that individuals, departments and businesses go to, to consistently provide a high standard of service and workmanship, and the efforts that have been made to keep motorists across the country on the move, including during the Coronavirus (COVID-19) pandemic.

### How can I nominate my garage?

You can nominate your Garage Star by simply completing our online nomination form and telling us how a member of staff, or the business as a whole has gone above and beyond to help, and why you think they deserve to win!

You'll also be entered into our prize draw where a customer who has nominated a business in the region of the national winner will win £250 in Lifestyle Vouchers!\* Just visit:
